READ AGAIN:—

The late Muzrai Superintendent's letter No. 84, dated 22nd July 1893, to the Deputy Commissioner, Mysore District, observing that the monthly cash grant of Rs. 331-7-8 payable to the Sri Vyasarayaswami Matt from the T. Narsipur Taluk, being a Devadaya grant, was not liable to attachment by the Civil Court, in satisfaction of a decree obtained by one of the creditors of the Matt, and that therefore the payment of the amount to the Matt should be withheld pending orders of Government.

Government Proceedings No. 190-1—Muz. F. 57-92, dated 27th August 1894, directing that, as the object of the monthly grant of Rs. 331-7-8 had been grossly neglected, the payment of the said grant should continue to be withheld and that puja to the Brindavanams and Santarpane at the Matt, should be carried out by the Muzrai Department.

Governmnet Proceedings No. 789—Muz. F. 57-92, dated 31st January 1896, observing, with reference to a telegram from the Swamigalavaru, that, as the allowance in question was under attachment owing to the Matt's neglect of the object of the grant, the attachment could not be withdrawn without proper guarantee from the Matt for the proper fulfilment of such object.

Letter No. 84, dated 10th November 1902, from the Deputy Commissioner, Mysore District, reporting on the present situation of the Matt affairs.

Government Proceedings Camp Nos. A. & B., dated 12th April 1903, sanctioning, with reference to several petitions from the Swamigalavaru and his Agent, the disbursement, as a temporary measure, of a monthly allowance of Rs. 200, out of the cash grant of Rs. 331-7-8 per mensem, and observing that the payment of the allowance should be on the distinct understanding that the Swamigalavaru would give a correct and complete list of the jewels and other property belonging to the Matt and bind himself to account for all such property.

AND—

Kanarese letter Registered No. 1760, dated 4th day of Chaitra Bahula of the year Sobhakrutu (14th April 1903) from the Swamigalavaru to the address of the Dewan, requesting that, as the Matt is involved in debts, the Government may be pleased to take over the management of the land endowments of the institution situated in the State, and forwarding a statement showing such endowments.

No. 2413-23—MUZ. F. 57-1902, DATED BANGALORE, 30TH MAY 1903.

ORDER THEREON.—From the letters of the Deputy Commissioner and the Swamigalavaru, it is observed that the affairs of the Matt are in great disorder and heavy debts have been incurred on the security of the Inam lands endowed to the Institution. On account of the involved condition of the Matt, the Swamigalavaru has requested Government to take possession of all the land endowments of the Institution situated in the Mysore Territories, in view to their being managed through Government agency. In these circumstances, the Government are pleased to comply with the request made by the Swamigalavaru, and they accordingly direct that the management of all the lands and villages belonging to the Matt, situated in the Mysore Territories, as per statement hereto annexed, be taken possession of immediately by the Deputy Commissioners of the respective Districts, who will issue needful instructions to the Amildars concerned to give due publicity to the raiyats or others, who are in actual possession thereof, that the management of the endowments in question will, from the 1st July 1903, vest in Government and not with the Matt authorities.

2. The collections on the lands and villages shall be regularly made by the Amildars under the orders of the Deputy Commissioner of the District in which they are situated, as in the case of the Government villages, the same being remitted to the Bangalore District Treasury, for investment in the Government Savings Bank in the name of the Deputy Secretary to Government in charge of the Muzrai Department The D. C. B. and other statements shall also be submitted to the Muzrai Department of Government. The Comptroller to Government will also issue needful

instructions in the matter to the Taluk and the District Treasuries concerned, arrangements being at the same time made in communication with the Deputy Secretary, Muzrai Department, to place the hitherto accumulated savings of the Matt funds in the Government Savings Bank in the name of the Deputy Secretary.

3. From the statements received from the Deputy Commissioner of the Mysore District as well as from the Swamigalavaru, it is observed that the Inam lands and villages endowed to the institution are situated throughout the Province except the Kadur District, and that almost all of them except Dommanakuppe in the Tumkur Taluk, and Yelavanka in the Belur Taluk, have been given away on long leases and that the rents in some cases have been taken in advance by the Swamigalavaru. Such long leases are practically temporary alienations and cannot be accepted as a matter of course by Government, under the terms of Government Notification No. 266, dated 17th November 1877. But before declaring them to be invalid, Government deem it desirable to enquire into each case and then make arrangements to determine the future terms of the lease or to cancel it. The Deputy Commissioners concerned are therefore requested to call upon the lessees to produce documentary evidence if any, within one month from the date of receipt of this order, showing how and when they came into possession of the Matt lands or villages and on what terms they have been enjoying them. On receipt of the necessary information from them, a full and clear report should be submitted on each case, together with the Deputy Commissioner's opinion as to the continuance or otherwise of the lease.

4. As regards Dommanakuppe in the Tumkur Taluk and Yelavanka in the Belur Taluk, which are both *Devadaya* Inam villages attached to the Matt, it appears that one Ranga Sreenivasachar, son of Hundi Krishnamachar, has been enjoying them in consideration of the debt said to be due to him by the Swamigalavaru. This is clearly an unauthorized alienation diverting the lands from the purpose for which they were granted, and the same is hereby cancelled under the terms of Government Notification No. 266, dated 17th November 1877. The Deputy Commissioners of the Tumkur and Hassan Districts are accordingly requested to take immediate steps to resume the villages from the possession of the alienee and place the management thereof in the hands of the Amildars of Tumkur and Belur respectively.

5. With reference to Government Order No. 689, dated 9th October 1902, directing that the Muzrai Assistant Commissioner of the Mysore District, be deputed to proceed to Sosale and get an inventory made of the jewels etc., belonging to the Matt, the Assistant Commissioner Mr. C. B. Seshagiri Rao (now Sub-Judge of Hassan) who was deputed for the purpose, reports that he did not do so, because he felt himself incompetent to value the jewels in question and that he did not handle the jewels as it seemed irreverent, if not sacrilegious. The Government are surprised and disappointed to hear of such an utter misconception of the duty expected of Mr. Seshagiri Rao. The Deputy Commissioner is therefore requested to again depute a competent Assistant Commissioner to proceed to Sosale with one or two professional men (who may be paid some small allowance from the Matt funds, if necessary) and have a correct inventory prepared and forward the same to Government with the signature of the Swamigalavaru.

6. As regards the repairs to the Matt building at Sosale, the Deputy Secretary to Government, who lately inspected the Matt on the 14th April 1903, reports that the front thotti is in a dilapidated condition and requires immediate attention. An estimate to renovate the building in question should at once be submitted for sanction.

SIR,

With reference to your letter No.1554/M.F.198-15-6 dated 3rd January 1916 forwarding for investigation and report petitions received from Venkataramana Char of Jagaloor praying for the restoration of the Inam village of Oblapur belonging to the Sri Vyasaraya Swami Matha to his possession, I have the honour to state that the petitioner appeared ~~by~~ before me on the 6th instant and produced before me the documents relied upon by him.

2. From the entries in the Inam Register copy of which was obtained from the Inam office it will be seen that a similar representation was made by the ancestors of the present petitioner during the Inam enquiry of 1869 and that the Inam Commissioner declined to treat the village as personal Inam on the ground that the Swamy had no power to alienate a "Devata Oottar."

3. The Swamigalu of the Matha who was consulted denies the gift and states that the Dana Pattra produced by the petitioner cannot be considered to be a genuine one.

4. In these circumstances, it seems to be inexpedient to reopen the question at this distance of time and the claim of the petitioner may be rejected.

5. The enclosures to your letter under reply are returned.
